

## Introduction

### A. Welcome and Agenda

Greet the audience.

Briefly outline the agenda for the demo.

### B. Purpose of the Demo

Clearly state the purpose of the ATS and its significance to the stakeholders.

## II. System Overview

### A. Brief Project Overview

Recap the objectives and goals of the Job Application Tracking System.

### B. High-Level Architecture

Provide a high-level overview of the system architecture, emphasizing key components.

## III. Live Demo

### A. User Authentication

Objective: Showcase secure user authentication.

Demo Steps:

Log in as a recruiter.

Highlight the authentication process.

### B. Job Listing

Objective: Demonstrate the process of posting and viewing job positions.

Demo Steps:

Post a new job.

Display the list of available jobs.

### C. Application Submission

Objective: Illustrate how applicants submit their applications.

Demo Steps:

Submit a sample application as an applicant.

#### D. Application Review

Objective: Showcase how recruiters review and manage applications.

Demo Steps:

Display an application in progress.

Update the application status.

#### E. Communication

Objective: Highlight the messaging functionality between recruiters and applicants.

Demo Steps:

Send a message between a recruiter and an applicant.

#### F. Reporting

Objective: Showcase the reporting feature.

Demo Steps:

Generate a sample report on application statistics.

#### G. Decision and Conclusion

Objective: Conclude the demo by making a hiring decision.

Demo Steps:

Make a hiring decision for a sample application.

### IV. Q&A Session

#### A. Invite Questions

Open the floor for questions from stakeholders.

#### B. Address Concerns

Respond to any questions or concerns raised during the Q&A session.

### V. Next Steps

#### A. Deployment Plan

Outline the plan for deploying the ATS.

#### B. Training and User Adoption

Discuss the training process for users and encourage user adoption.

### C. Feedback Collection

Emphasize the importance of feedback and how it will be collected for future improvements.

## VI. Closing

### A. Thank You

Thank the stakeholders for their time and participation.

### B. Contact Information

Provide contact information for further inquiries or feedback.

## VII. Follow-Up

### A. Schedule Follow-Up Meetings

Schedule follow-up meetings to address any post-demo questions or concerns.

This demo plan provides a structured approach to showcase the key features of the Job Application Tracking System, ensuring that stakeholders have a comprehensive understanding of the system's capabilities and functionality.
